

# Control Module

## General specification:

- Structural Design - Eurocode and DNV 2.7-3
- Coating - NORSOK M501 system 1
- A60 personnel doors
- A60 insulation
- Data floor (800 mm)
- Monorail WLL: 2500 kg
- MCT frames

## Ventilation:

- Air Handling Unit
- Cooling and heating

## Electrical/HVAC installation:

- NEK 420, NORSOK E-001, NORSOK H-003, EX/ATEX
- Cable ladders
- Lights and switches
- PA system
- ExII-Telephone ExResistTel
- Rib heater
- First Aid Case offshore
- Eye wash station 2l
- Fire and gas dampers

## Alarm system:

- fire detectors, smoke detectors
